Rabbi Herbert Yoskowitz

will lead a discussion on

“What is the Jewish View About Physician-Assisted Suicide?”

“...The struggle over legalizing assisted suicide is increasingly taking center stage. The manner in which the nation ultimately decides this crucial legal and moral issue will test our culture’s commitment to the sanctity/equality of human life; define for our posterity society’s cultural attitudes toward elderly, disabled, and dying people; and determine the continuing commitment of medicine to the “do no harm” ethical ideal embodied in the Hippocratic Oath. (Wesley J. Smith)
