# MESSAGES

## FROM THE PRESIDENT, JOYCE BERLIN WEINGARTEN

The High Holy Days are a festive time and a time of deep personal introspection. We come to synagogue with many personal prayers in our hearts. The sound of the shofar blown at the end of morning minyan during the month of Elul and on Rosh Hashanah awakens us to these prayers and thoughts. It is helpful to contemplate these

feelings with an open heart.

I have been a student of yoga, mindfulness, and meditation for many years. Some of the many yoga postures include what are called heart opening poses. These poses are physically beneficial in increasing chest and shoulder flexibility, improving circulation, alleviating back pain, and improving posture. They can feel emotionally powerful as well. With these poses comes the sensation of opening the chest and the heart, increasing the ability to feel more love, joy, compassion, and forgiveness to others and ourselves.

During the High Holy Days, it is traditional to apologize to those we may have offended and to forgive those who have offended us. This can be a difficult task that requires an open heart. There is a meditation called Metta, which involves extending loving kindness to yourself, to people you love, and to people who are difficult in your life. Metta involves opening the heart and can be transformative in one's ability to love oneself and others.

Rabbi Dr. Abraham Twerski of blessed memory taught that harboring resentment is like allowing someone you don't like to live inside your head rent-free. He asked why anyone would allow that.

It is much healthier to practice loving kindness, open our hearts, let go, and forgive. There can be capacity in the heart for forgiveness even without formal apologies. Imagine how much better one might feel having forgiven oneself and others. Imagine the impact this may have on relationships with family, friends, and the world as a whole. I recently read this quote by musician Carlos Santana: "The most valuable possession you can own is an open heart. The most powerful weapon you can be is an instrument of peace."

This High Holy Day season we will be in our magnificent sanctuary for our traditional service led by our clergy. Hazzan Gross and the choir will lead the liturgy with beautiful and inspiring prayers that will help open our hearts during these Days of Awe. There will also be family services and other opportunities to study, learn, and meditate, helping to enhance your holiday experience. Be here, be present, be yourself, be openhearted, be with community, and be part of your Adat Shalom family.

May the prayers in your hearts be answered dear friends and may the year 5784 bring sweetness, good health, and peace to all.

Jeffrey and I look forward to greeting you at our High Holy Day services and wish you and your families *L'Shanah Tovah U'Metukah*.

## FROM RABBI AARON BERGMAN

The comedian Jay Mohr said that the key to his marriage is not that he and his wife like the same things, but rather that they hate the same things. Their mutual loathing of other things brings them closer together and creates a deeper bond. At first I thought this was kind of funny, but realized that it contained a darker

truth about many of the problems in our society today.

It may not be a bad thing if the same things that we and our friends and family hate are certain songs or movies, or foods. However, it is very destructive to society if we hate other groups of people for who they are or how they live their lives, in order to create connections within our own group.

This need to hate others just to become closer to the members of our own group comes from two conflicting impulses that all humans seem to have wired within us. We have natural inclinations toward goodness. We also have natural inclinations toward hating people who are different from us.

Nicholas Christakis, a professor at Yale, writes, "We have this capacity to surrender ourselves to the benefits of the whole group. Now, that can also lead us astray. We can so identify with our own group that we demonize other groups...There've been many experiments with small children in this regard. You can take a group of 3-year-olds and randomly assign them T-shirts of different colors. The children know that they didn't do anything to deserve these colors, and yet, once you assign them these colors, they immediately hate the other group. Those blue T-shirted children should be punished. They're awful children. They shouldn't get any toys. It's crazy. You just scratch the surface of human beings, and you get this quality."

The Torah is concerned about the demonizing of others in order to create closer tribal and familial bonds. In Deuteronomy, it says, "When you go to war against your enemies..." The word enemies here seems redundant. Who else do you go to war against? How many times, though, have leaders created enemies out of others who were no real threat in order to create patriotism and unity among their followers? How many times have they tried to make their own people feel superior by dehumanizing others?

There are some truly dangerous people in the world, and they do terrible and destructive things. They need to be stopped, and sometimes war is the only response left. So many wars, though, are fought just because we have been taught to hate who the other person is, not what they do. We see them as different, and alien, and therefore threatening to our way of life. This is rarely ever true, but it serves as an effective deflection from the issues that a group of people may have among themselves. Instead of trying to figure out a solution that benefits everyone, we look to blame others for our problems.

The Torah, by demanding that we only battle against those who are a genuine danger to us, is asking us a fundamental question. Can we love ourselves without hating others? Can we elevate ourselves without diminishing others?

The High Holy Days are the perfect time to think about how we think about others, and to make sure our relationships are based on what we love, and not what we hate.

My family and I wish you a year of joy and sweetness.

FROM HAZZAN DANIEL GROSS  
*High Holiday Harmony*

It is hard to believe that this will be my fifteenth High Holiday season at Adat Shalom. Due to COVID, the last three seasons have been missing an integral part of the High Holiday experience — our Adat Shalom choirs. At long last, they are returning to the bimah! I have written about the choirs in the past, but this occasion merits another article about our special congregational singing groups.

Choirs have a very special place in my heart. Prior to my junior year of high school, the only singing I ever did was when I became Bar Mitzvah. Then, in the summer of 1992 at Camp Ramah, I was cast as Javert in our production of “Les Miz.” When school resumed that fall, I was sitting in the library when I felt a tap on my shoulder. I turned around and it was Mrs. Smiley, the school choir director. She said, “A little birdy told me that you can sing. Come up to the choir room with me for a minute.” Did I have a choice? Mrs. Smiley was a tall, imposing figure and was someone you could not say “no” to. After singing two or three scales for her, she said, “Dan, you need to be in our choir.” I joined the choir, then the chamber choir, then the show choir, and, as they say, the rest is history!

Singing with other people, whether it’s in a choir setting, at shul, in the car or around the dinner table, can be a moving and transformative experience. Singing together is unifying, gratifying and can feel very cathartic. However, I can’t tell you how many people tell me that they don’t sing along because they “can’t sing” or “can’t sing in tune” or “have no voice.” None of these reasons matter to me. I would rather hear a cacophony of discordant voices than no voices at all.

We are blessed with some very talented and dedicated singers in our congregation. It’s a pleasure to work and sing with them. What I want to say to you — the congregation — and it bears repeating as I’ve said it before, is that our choir is not meant to be listened to. Huh? Yes, you read that right. Our choir is meant not *only* to be listened to, but to be *sung with*. The most moving experiences that I have ever had while leading services at Adat Shalom are the times when it sounds like everyone in the sanctuary is singing along. This, to me, is true harmony. Not the harmony of different notes coming together to form a pleasing chord, but the harmony of different people coming together to create a beautiful, shared, and moving experience.

This year, the Mixed Choir and Men’s Choir are combining into a single choir to participate in our morning High Holy Day services (Rosh Hashanah and Yom Kippur), as well as Kol Nidre. For Ne’ilah, I will be joined by the Men’s Choir as in the days BC (Before COVID).

Please add your voice to our synagogue collective “choir.” Sing or hum along, even if you are unsure of the words or the melody. Don’t be afraid of annoying those sitting near you in the sanctuary, and if they glare at you, say, “Hazzan Gross told us all to always sing along!” I mean it!

Whether you choose to sing outwardly or inwardly, I want to wish you and your loved ones a most happy, healthy, and harmonious 5784. *Shanah Tovah!*

Hazzan Gross and our magnificent choir, 2013.

FROM RABBI BLAIR NOSANWISCH

This winter, I was meeting with a congregant who was reflecting on the past decade or so of his Jewish life. He shared that at this moment, Adat Shalom was feeling like a particularly nourishing community to be a part of. I asked him what is speaking to him about the synagogue right now, and almost without hesitation he offered, “if I had to describe what seems to be the overall ethos of the synagogue right now, I’d say it’s a place where you are encouraged to simply BE.”

I was so moved by this answer, for it seemed to me that something essential was being communicated effectively by our synagogue clergy and staff - that Adat Shalom is a place where you can come as you are and be met anywhere along your Jewish journey. When discussing what message we wanted to share with the congregation for the upcoming high holy day season, this simple invitation to BE felt like it captured our intentions in the broadest sense.

What does it mean “to BE” at Adat Shalom? On Rosh Hashanah and Yom Kippur, our liturgy depicts a God of judgment. For many, religious life and institutions have always played the role of judging and shaming us in order to try to encourage us to be on our best behavior. But judgment and shame are not the sum total of what religion has to offer, and they are not the only aspects and qualities that God has to offer us humans. Here at Adat Shalom, we have been sharing a Torah of teshuvah and rachamim, of second (and third!) chances, care, and compassion. These qualities are essential to a Jewish life, for they welcome us to come as we are and grow as we are able. Instead of shame and guilt, we weave a web of relationships, learning, and growth.

How do we hope you will BE at Adat Shalom? One hope I’m excited to share is that we have hired Elissa Schechter into a new role - Director of Member Engagement. In addition to working as my assistant, Elissa is bringing her talents for connecting and nurturing relationships to both increase connectivity between members and enhance the experience of belonging for new members.

Judaism is best when it is active, not passive. Think of it as a sport you want to participate in rather than watch from the sidelines. BEing can mean just showing up. It could also mean increasing the time you spend in synagogue community or incorporating some Jewish behaviors into your household - such as lighting candles on a Friday night or turning off your work e-mail over Shabbat. It could also mean joining a continuing education class to deepen your Jewish knowledge and increase your spiritual connections. And it could mean getting involved in Adat Shalom’s special interest groups like Chesed to help our members, The Green Team to help the earth, Sisterhood or Men’s Club to help the community and beyond! We hope that in the year to come, you will feel like you can bring your whole self to Adat Shalom. And when you do, we’ll be here to help you find the next deeper step on your Jewish journey.

We hope that you too feel that **Adat Shalom is your place to BE.**

As you read through our *Voice*, you will see how our talented clergy, staff, and lay leaders provide so many wonderful opportunities for our congregants. Saturday, September 9

hosted by Adat Shalom Synagogue

**9pm: Forgiving Ourselves: The Beginning of Repentance**  
presented by Ellen Y. Chute, LMSW, ACSW

As we prepare to ask for forgiveness from God and others, we first must ask the same of ourselves. Are we truly worthy of forgiveness? Maybe we focus on our mistakes, or instead see ourselves through our accomplishments or possessions. At this holy time of year, we deserve to understand that our inherent worthiness is far deeper and accessible to us.

**10pm: Selichot Service**

A unique service featuring many beautiful melodies and powerful prayers of the High Holy Day liturgy, led by our congregational clergy.

**"Our High Holy Day family services will be an interactive journey."  
- Phreddy Nosanwisch, guest contributor**

In movies and video games, the magical, majestic world of our emotional lives is visible and audible — allowing us to explore these epic landscapes in safety and hopefully helping us to grow as minds and souls. What distinguishes video games from movies is how they place us, the players, at the center of the action, imbued with agency and responsibility for what unfolds.

Our High Holy Day ritual (and the liturgy that guides it) is the ultimate video game — a participatory experience that builds a fantastic mythical world in which each of us takes the role of player one, armed with ram's horn and the breath of life and tasked to battle the opposing forces in our souls in order to restore the balance of light and darkness in Creation.

During this year's High Holy Day family services, we will use the machzor as a roadmap to guide us on an interactive journey over bonfire-crested hills and up Mount Sinai, to Ninveh, the great city, and back again. Through movement, music, and participatory storytelling, people of all ages will be invited to use their minds, bodies, and souls to bless and be blessed, to feel, reflect and reinvigorate themselves and each other in this sacred season.

## 2023 Yom Kippur Appeal

Continuing Our Investment in the Future of Adat Shalom Synagogue

Your contributions to the Adat Shalom Yom Kippur appeal have helped our congregation thrive over the years. We are grateful for your caring about our community and your generous financial support.

One year we purchased new comfortable chairs, another, the *Lev Shalem Siddur*, and another fixed the roof (no more leaks) above our beautiful sanctuary. Just last year, we set our sights on funding an outdoor structure, a "playground" with enhanced landscaping, to provide a shaded space for services and other gatherings, all to be enjoyed for many years to come. After much research we are happy to report we are ready to begin building our new outdoor shelter.

For our 5784 Yom Kippur Appeal, we are committed to updating our restrooms. Some are the original spaces that show their age. Others were updated many years ago and need a facelift. As with any space in the building, the restrooms need to feel like a healthy place that is modern and well maintained.

Built in 1972, our over fifty-year-old structure needs repairs and updates. Enhancing the inside and outside of our building and keeping it esthetically pleasing is integral to maintaining a space that attracts people to return time and again. We gather for Shabbat and weekday services, religious school, incredible concerts, and extraordinary learning opportunities. We want our congregants to have their simchas here and we want to continue housing community events as well.

Please make your selection on the card mailed to your home, turning down the dollar amount tab to indicate your commitment and bring it with you when you attend Yom Kippur services on Monday, September 25. Cards will also be available in the main foyer. Your pledge may also be completed online at [adatshalom.org/yk-appeal](http://adatshalom.org/yk-appeal). We strongly encourage you to be a part of guaranteeing our future by making a meaningful monetary contribution toward this year's Yom Kippur Appeal. Thank you for your consideration.

May this season enrich our lives as we renew our commitment to Adat Shalom and its future. We wish you a Shanah Tovah, and a year of joy, fulfillment, and peace.

## Support the Adat Shalom Israel Bonds Drive

Jewish observance is characterized by both words and deeds. Morality, acts of kindness, generosity, tzedakah, and support for our homeland, the Land of Israel, are commanded by our tradition and must be transmitted to each generation.

We encourage members of our congregation to continue our partnership in the development of the land that represents both our heritage and our future and urge you to support the State of Israel by investing in Israel through Israel Bonds. Your investment will help ensure that Israel's economy continues to grow because of the capital Israel raises through Israel Bonds.

Israel is the only Jewish country in the world, the only place where the Jewish people have political authority and responsibility. Recognizing there will always be political challenges in Israel and different viewpoints about how to engage with them, Bonds strengthen the connection between Israel and Jewish communities around the world and give credibility to our voices when we share our thoughts about Israel.

Please make your selection on the tab card mailed to your home and bring it with you when you attend Rosh Hashanah services (first day) on Sunday, September 16, during which the ushers will collect the cards. A duplicate tab card will also be available in the synagogue lobby.

Israel Bonds are widely recognized as a dependable, valued and strategic asset for Israel. In times of crisis when the need for funding is immediate the Bonds organization is uniquely positioned to efficiently and cost effectively secure capital from the worldwide Jewish community.

The need for your financial support is critical. When you invest in Israel, you are counted – it is a significant barometer of where American Jewry stands to help preserve and protect our homeland. The supreme value of our connection to Israel cannot be measured. We encourage you to share the tab card with your children. By doing so, you teach them the importance of helping to ensure Israel's future.

# THE LEARNING COMMUNITY

**FROM DR. MELISSA SER**  
Director of Education  
[mser@adatshalom.org](mailto:mser@adatshalom.org)

For some people, the rustling leaves and cooler temperatures (and the start of football and PSL seasons!) are the best parts of the autumn. All of those are wonderful, but my absolute favorite part is purchasing new crayons. Starting off a new school year is, in many ways, about the crayons. In every box there are endless possibilities for growth, creativity, and exploration.

As we begin of 2023-2024 school year at Adat Shalom, I also begin my twelfth year guiding our students and faculty in the Adat Shalom-Beth Achim Learning Community. Classes start on September 10th, and you should be on the lookout for new crayons in our classrooms. There are so many ways to **BE INVOLVED** in our Learning Community. Consider **being** a room parent for one of our classrooms, **being** a host for MiniMinyan, or **being** on our parent committee.

Along with new crayons, we hope you'll support our Muscle Room Project, as it is transformed into an Immersive Israel Playscape (see our wish list). We hope to have Phase 1A (Masada-inspired Climbing Wall and Judean Hills-inspired smaller climbing features) completed by the beginning of the fall.

See you soon!

Tishrei is full of amazing holidays and experiences. Family services for Rosh Hashanah and Yom Kippur will be guided by Phreddy Nosanwisch and Rabbi Nosanwisch. Phreddy, bringing in his love of Judaism and experiences in Jewish education, is creating a magnificent, intentional, and engaging family experience. Learn more about Phreddy and his incredible vision for Family Services on page 7.

The festival holidays, Sukkot and Shemini Atzeret / Simchat Torah, bring another round of celebrations and fun for the whole family. During Sukkot, take the time to come to shul on Saturday morning. Families can experience MiniMinyan together and enjoy each other's company, a nice friendly service, and coffee!

Sukkot (Sunday, October 1) will be an incredible morning for not just our Learning Community families but the entire community. Learning stations will activate the mind and senses, bringing together the harvest, the lulav and etrog, and how we come together over food. We'll end with a communal vegan meal in the sukkah. Part of the fun will be everyone helping to prepare some of the meal curated by Chef Debra Walter. Sukkot encourages us to invite guests in — so please invite some friends to join us.

Simchat Torah (Sunday, October 8) offers the perfect opportunity to come to shul and see the torah unwrapped. Families will be given Torah Challenges to find or complete. Where is the shema? Did you know the song, "Torah Tziva Lanu Moshe" came right from the Torah? Through these activities you'll learn and see the Torah up close like you've never seen before.

### YOUTH ENGAGEMENT

Helping your children feel a connection to each other and our Adat Shalom community is one of my goals. During the High Holy Days and festivals there will be numerous opportunities for kids, tweens, and teens to connect and be engaged at Adat Shalom.

With a team of dynamic youth engagement leaders, we strive to plan fun, social, cultural, and community service experiences that they will enjoy attending. We do our utmost to create positive Jewish learning and social experiences that meet kids' and parents' needs and interests. Participation in these programs also helps strengthen your child's Jewish identity! Kids in Kindergarten to 4th grade have fun at Kids' Afternoon of Fun and Kids' Night Out events. 5th, 6th and 7th graders enjoy our programming that is created just for them (e.g. social and volunteer events). 8th to 12th graders have a blast being Madrichim (teacher assistants), volunteering, and learning together. This year's youth engagement calendar continues to grow.

### College Connections (undergraduate and graduate students)

Adat Shalom sends care packages before Chanukah and Pesach. Help us help your child stay connected to Adat Shalom. Each fall I update our database and kindly request your assistance. Please go to [adatshalom.org/college](http://adatshalom.org/college) to complete a short form or email your child's name, school name, mailing address, cell phone and expected year of graduation to [jgross@adatshalom.org](mailto:jgross@adatshalom.org). If your student/young adult has not moved, please let me know. THANKS!

I'm Elissa Schechter, your new Director of Member Engagement and Executive Assistant to Rabbi Nosanwisch. Some of you may know me as Miss Elissa, an early childhood teacher in the community, and now I'm looking forward to getting to know you in a different capacity as I take on this new role. I'm excited to BE a part of Adat Shalom!

My Hebrew name is Elisheva Adva. As a young adult, I added Adva which means a wave or ripple. My dream is to create a ripple effect of kindness, enhancing a sense of community. My goal is to connect people, so they know they are loved and valued. I'm grateful for this opportunity at Adat Shalom so I can make my dream a reality. I'd like to share your ideas for what you desire at Adat Shalom through my new program: Walk With Elissa.

I invite you to gather with me on the last Thursday of the month to walk around a beautiful nature area, chat about interests, and connect with other members who want to BE active outside. You'll mingle with members in a small casual setting and chat with me so I can learn about you! I'm looking forward to walking and talking with you all soon.

## SISTERHOOD

Shalom Sisters,

As we begin the year 5784 we look back and are grateful for all the support we have received throughout the past year. So many people have assisted us, worked along side of us, and suggested new ideas and ways to make Sisterhood stronger. And that we are! That's not to say we didn't experience challenges, but they were outnumbered by the many successes. The contributions of clergy, staff, committee chairs, and volunteers allowed Sisterhood to learn, grow, and achieve many of our goals.

We are thrilled to share with you the many exciting programs that we have planned for the upcoming year in our calendar of events. Our paid-up membership event is Thursday, October 26th in the evening. Please pay your Sisterhood membership dues before that date in order to be a part of this fun-filled event. With your continued support we are confident that the year ahead will be filled with inspiration, growth, and meaningful experiences. Watch for updates and details about each program in the coming weeks.

We wish you all a Sweet, Healthy, and Happy New Year.

*L'Shana Tovah!*

**The Torah Fund theme for 2022–2023 is 'Arevut,' responsibility.** It corresponds to the theme from the Babylonian Talmud, Shevuot 39a, that all the people of Israel are responsible for one another, and we

assume that responsibility through our support of the five Conservative/Masorti institutions of higher education.

Since 1942, the modest contributions of thousands of individuals to Torah Fund have helped to educate and train each generation of Conservative rabbis, cantors, scholars, educators, summer camp directors, chaplains, campus Jewish life staff, and committed lay leaders. These are the people who guide and teach, console, and uplift our people, one soul at a time.

Your support provides The Jewish Theological Seminary, Schechter Institute of Jewish Studies, Seminario Rabinico Latinoamericano, Zacharias Frankel College and Zeigler School of Rabbinic Studies with enduring strength and encouragement.

Please select your level of giving:

- Torah Fund Guardians: \$300  
(receive the Torah Fund pin with a pearl)
- Torah Fund Benefactors: \$180 (receive the Torah Fund pin)
- Torah Fund Supporters: \$100, \$54, \$36, \$18

For your convenience, please make donations through the Torah Fund website, click on the Arevut campaign, and be sure to include Sisterhood of Adat Shalom in your information.

## MEN'S CLUB

*L'Shanah Tovah* - Happy New Year! Welcome to another "turning of the calendar" and to another great year of Men's Club programming!

Each year, ASMC offers a wide range of programs to engage the men in our congregation, giving them a place to learn, connect, and give back to the community. We look forward to continuing our partnership with the religious school at this year's opening picnic, and greeting the whole congregation towards the end of the month at the conclusion of Yom Kippur services.

As we move into October, our Men's Club calendar will kick into high gear. On October 4, we will gather for an evening program in the Adat Shalom sukkah, with some food, drink and camaraderie. Our annual Sports & Steak Night will be just a week later, on October 11. In addition to enjoying a delicious meal and enjoying each other's company, we are privileged to welcome Jim Costa from 97.1 as our guest speaker. We will also honor our Adat Shalom Men's Club softball team who has been representing us in inter-congregational play throughout the summer.

Men's Club continues to be proud to offer Adult Hebrew Literacy classes, coordinated by Paul Goldsmith. Come to our kickoff on October 18, and join in the first class on the 25th. October will also feature the return of our "Thoughtful Thursday" series. Join Rabbi Bergman and the Men's Club on October 26, and in future months as well!

We have many other exciting and engaging programs coming up during the year, including social programs such as Chillin' with the Clergy (November), spiritual programs like our annual retreat (January), and opportunities to engage with the children (and grandchildren) of Men's Club - such as DIY with Dad and the Daddy Daughter Dance (March). We are also planning a "field trip" to Cleveland to visit the Rock and Roll Hall of Fame this spring... stay tuned for more details!!

Whether you are a renewing member of Adat Shalom Men's Club, or this is your first time joining us, I invite you to sign up for this year's membership at [www.adatshalom.org/mens-club-dues](http://www.adatshalom.org/mens-club-dues). Your paid membership (only \$36) helps to support Men's club activities, fund religious school scholarships, and support synagogue initiatives. If you have questions, please reach out to me or Steve Goldsmith, our VP of Membership.

Looking forward to seeing you for our 5784 programming year!!

On behalf of the ASMC Board of Trustees, I wish you all a happy, healthy and sweet New Year!

## HAPPENINGS WITH THE ADAT SHALOM GREEN TEAM

"Divrei Torah Mayim Chayim"

*Just as Torah nourishes our spirit, so too does water nourish our body.*

The Adat Shalom Green Team is proud to announce "ADAT MAYIM", our new water initiative! With many thanks to ADAMAH for our sustainability grant of \$3,000, the Adat Shalom Green Team will be installing a Water Bottle Refilling Station before the High Holy Days. Here are some FAQ's:

- 1. How was this decided upon?** Approximately 15 people who comprise the Adat Shalom Green Team took a walk around the property to see how we can make it more sustainable. We all came up with different projects /initiatives, and then voted on them. It was decided that the Water Bottle Refilling Station would be the most beneficial project as everyone could be a part of it.
  - 2. Why focus on water?** Americans buy nearly 15 billion gallons of bottled water per year. According to data collected from the International Bottled Water Association, Americans can't get enough bottled water. 15 billion gallons would translate to 120 billion bottles of water if Americans were only buying single-serving PET bottles. With a recycling rate of around 30%, the containers of more than 10 billion gallons of water are ending up in landfills.
  - 3. Where and when will this be installed?** It will be directly outside of the coat room, by the main sanctuary and installed over the next month. It will replace one of the water fountains. It has the capability of not only refilling water bottles, but also functions as a water fountain.
  - 4. Can I bring my own water bottle to synagogue on Shabbos?** Absolutely! And please, feel free to fill it at our new station!
  - 5. What if I don't have my own water bottle?** Don't worry! We are currently creating an "Adat Mayim" reusable water bottle that you can purchase at the synagogue! Water bottle sales will raise funds for another updated water fountain to be installed downstairs for our Adat Shalom Beth Achim Learning Community.
- It is our hope that this new Water Bottle Refilling Station will inspire our Congregation to leave a smaller Carbon footprint on our Earth. If you have any questions or would like to know more about this new initiative, please do not hesitate to contact the synagogue office at any time. - Wendy Arnold, Green Team member

## SOCIAL ACTION IN ACTION

### AMERICAN RED CROSS BLOOD DRIVE, Sunday, September 10, 8am-2pm

Adat Shalom is sponsoring a much needed blood drive on Sunday, September 10. According to the American Red Cross, every two seconds someone in the U.S. requires a blood transfusion. Blood donations are critically needed to help prevent delays in vital medical treatments. If you would like to donate, please contact Debby Portney at [debbyportney@gmail.com](mailto:debbyportney@gmail.com) or Ruth Zerlin at [dreidelmom@aol.com](mailto:dreidelmom@aol.com) and they will schedule an appointment for you. Additionally, we need volunteers to supervise the canteen.

### YAD EZRA YOM KIPPUR FOOD DRIVE Sunday evening, September 24, 2023

We will collect non-perishable food and monetary donations at Kol Nidre services. The Yad Ezra truck will be parked out front of the synagogue to collect your food donations. *Please drop off your bags before entering the synagogue.* Yad Ezra, which gives kosher food to the vulnerable Jewish families, provides an average of 1,200 families with food, health care items, and household goods every month, and approximately 1,100,000 pounds of free groceries to families in need annually.

### LIGHTHOUSE-SOUTH OAKLAND SHELTER HOUSING THE HOMELESS, Took place June 25-July 1, 2023

Since COVID, the shelter is no longer rotating into the community but community support remains very important in helping these families. The families are living in an apartment complex in Oakland County. Although we miss having the opportunity to provide a temporary home and to have interactions with the participants, this living arrangement is much more stable for the families. These apartments house over 60 people, more than half under the age of 18.

Thank you to the Schostak family (2 nights of dinners), Nancy and Richard Barr (2 nights of dinners) and Domino's Corporate Headquarters for Saturday night pizza. In addition, we made a significant monetary contribution to offset additional nights of dinners and lunches. Thank you for your contributions to the Hillel Moses and Rachel Maisel Housing the Homeless Fund. It is through your contributions that we are able to continue to provide this act of kindness.

A past participant of the program shared, "I was on my own after giving birth to my son and had no family support in the the area. Although I was working, I couldn't afford an apartment so I was 'couch surfing' with friends for 4 years."

She was referred to Lighthouse and was placed in their family emergency shelter. With their support she was able to get a voucher that enabled her to rent a place to live. She is working full time now and her son attends school in the neighborhood.

She summarized, "You see this bright house when every house is dark. Sometimes you don't want to go into the light because you don't know what you will find. Going to the Lighthouse shelter was that bright house for me and it was the beginning of my new life."

**Adat Shalom Synagogue  
Tribute Funds**

Adat Shalom's tribute funds provide support for our many important synagogue programs and services, which help to define us as an outstanding congregation.

We have set an \$18 minimum price for tribute cards. Each greeting is individually prepared on a handsome card.

We are very grateful to members and friends who have consistently purchased tributes marking lifecycle events and other significant occasions, and we encourage your continued support.

To arrange for a tribute, please visit our website [adatshalom.org/tributes](http://adatshalom.org/tributes) or **call the synagogue office at 248.851.5100**. We will process your tribute and mail it promptly. Tributes received by the 1st of the month will appear in the following month's VOICE.

**For information about how to establish a fund, please contact Executive Director Michael Wolf.**
